

# FISHING & MARINE

Carbon Steel • Bronze • Stainless • Nickel • Brass • Copper • Monel • Inconel • Titanium

Malin has been supplying quality fishing tackle since 1884. Over the years, we've earned the reputation for manufacturing the highest quality, American made products available. Professional Captains, Tournament Winners and Weekend Warriors around the world rely on Malin products daily – they've done so for decades. We are very proud to have earned and kept the confidence these anglers have shown in Malin products.
