CA Prop 65 Declaration

This certificate is to inform Malin Company customers and end users that all products sold may contain trace amounts of chemicals listed in California's Safe Drinking Water & Toxic Enforcement Act of 1986, commonly referred to as Proposition 65. This Act establishes a list of chemicals known by the State of California to present a risk of cancer, birth defects and other reproductive harm.

Chemical exposure typically occurs through inhalation, ingestion or absorption. Malin Company does not sell any products that are intended to be used in these methods. Malin Company cannot foresee all uses of their products (both intended and unintended uses) and as a result has opted to provide a general warning of known chemical presence.

The Proposition 65 chemical list can be found at <http://www.P65Warnings.ca.gov>.

Safety Data Sheets (SDS) are available on our website at www.malinco.com or upon request.
